Affiliated by JNTUA & Approved by All India Council for Technical Education (AICTE), www.sseptp.org

4.2.1 Library is automated using Integrated Library Management System (ILMS)

Name of the ILMS Software	:	ECAP
Nature of Automation (fully or partially)	:	Fully Automated
Year of Automation	:	Updated August 2022

Central Library was automated in 2022 by using ECAP Software in the year 2022. Sanskrithi School of Engineering have enabled library with ECAP (Engineering college automation package) LMS to satisfy library and patron needs that cannot be met by manual methods. To provide easy access to other network or system resources, including the internet. Currently, the SSE Library uses ECAP Integrated Library Management Software since August 2022.

ECAP Integrated Library Management Software has fully automated all the library services. ECAP is a web-based Library Automation software facilitates automated library system and services like **circulation, online books.**

Engineering College Automation Package designed and developed by Webpros Solutions Pvt Ltd, these full-fills all the requirements of Engineering Colleges. ECAP aims at immediate availability of data in required formats, ease the work and management and increase in transparency and accountability in administration.

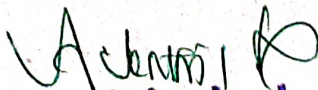

Some of the features of ECAP Software:

- Library Rules for Students & Staff.
- Entry/Upload of Books/Journals/Magazines.
- Book Bank Students & Book Reservations.
- Book Issues>Returns/Renewals.
- Journal/Magazine Subscriptions & Renewals.
- Titles/Authors/Publishers Database.
- Backup & Restore of Library Data.
- Budget & Expenditure, Purchases & Receipts.
- Stock Verification
- Reports.

Brief usage of ECAP Modules in Sanskrithi School of Engineering
