

Enforcement of Campus Discipline

The institution places great emphasis on maintaining a disciplined and secure campus environment. To uphold safety and security standards, a dedicated Discipline Committee has been established. This committee is responsible for overseeing the conduct and activities of both students and staff members within the institution. It plays a crucial role in ensuring the well-being of students by actively monitoring and addressing any instances of harassment, including eve-teasing and ragging. The institution adopts a zero-tolerance policy towards such behavior, with the Discipline Committee working diligently to prevent and address these issues. In order to promote awareness and discourage such incidents, the committee ensures wide publicity of the institution's stance against eve-teasing and ragging. By actively monitoring and maintaining discipline on campus, the institution creates an environment that fosters respect, safety, and a conducive learning atmosphere for all members of the college.
