Future of Work

Ms Devaki Sahasrabudhe, Chief Distribution Officer, LifeVitae addressed the students on the Future of Work.

In the wake of the pandemic, work modes have drastically changed and it is essential that we update ourselves with the technologies to facilitate the same. Also, one must learn to effectively balance personal and work commitments.

It was a great opportunity for SGI faculty and students to hear Mr. Avula Ramesh Reddy Garu IPS, Director Special Enforcement Bureau (SEB), Andhra Pradesh.

An inspiration for many Civil Services aspirants, Mr Reddy spoke on the hardworking and determination that one must have when preparing for a career in this sector and also in life.

He answered the queries and gave guidance to our students.
