CSR ACTIVITY OF RURAL VISIT TO PEDABALLI VILLAGE, ANANTAPUR (DT)

13th FEB 2020

EVENT DESCRIPTION:

As a part of CSR activity the rural visit, which was organized by our HOD N.Pavan kumar, provided an opportunity to the students to gain practical skills about rural areas. We are the students of 3rd EEE were surveyed the present conditions of pedaballi village. Last semester we gathered some information on agriculture, hospitals and school etc., from pedaballi people on 04-08-2019, Sunday. The present name of this village is recently changed as PRAGATHI NILAYAM. This village is the last village in puttaparthi mandal. The distance between prashanthi nilayam to pragathi nilayam is about 22 kms. In this village all categories of people.

SANSKRITHIANS HELPING HANDS

Date: 26-01-2020

Topic: **ORPHANAGE VISIT** Love Alive human value Orphanage

Venue: Kapala banda. Coordinator: I.RAJANI KUMARI, AP/ECE, Mr.baba fakruddin Ali, AP/ECE -SSE

Objective:

The main objective of the orphanage is to create a positive loving environment in which the often abandoned and neglected children feel at home and cared for, as a basis for social and professional development.

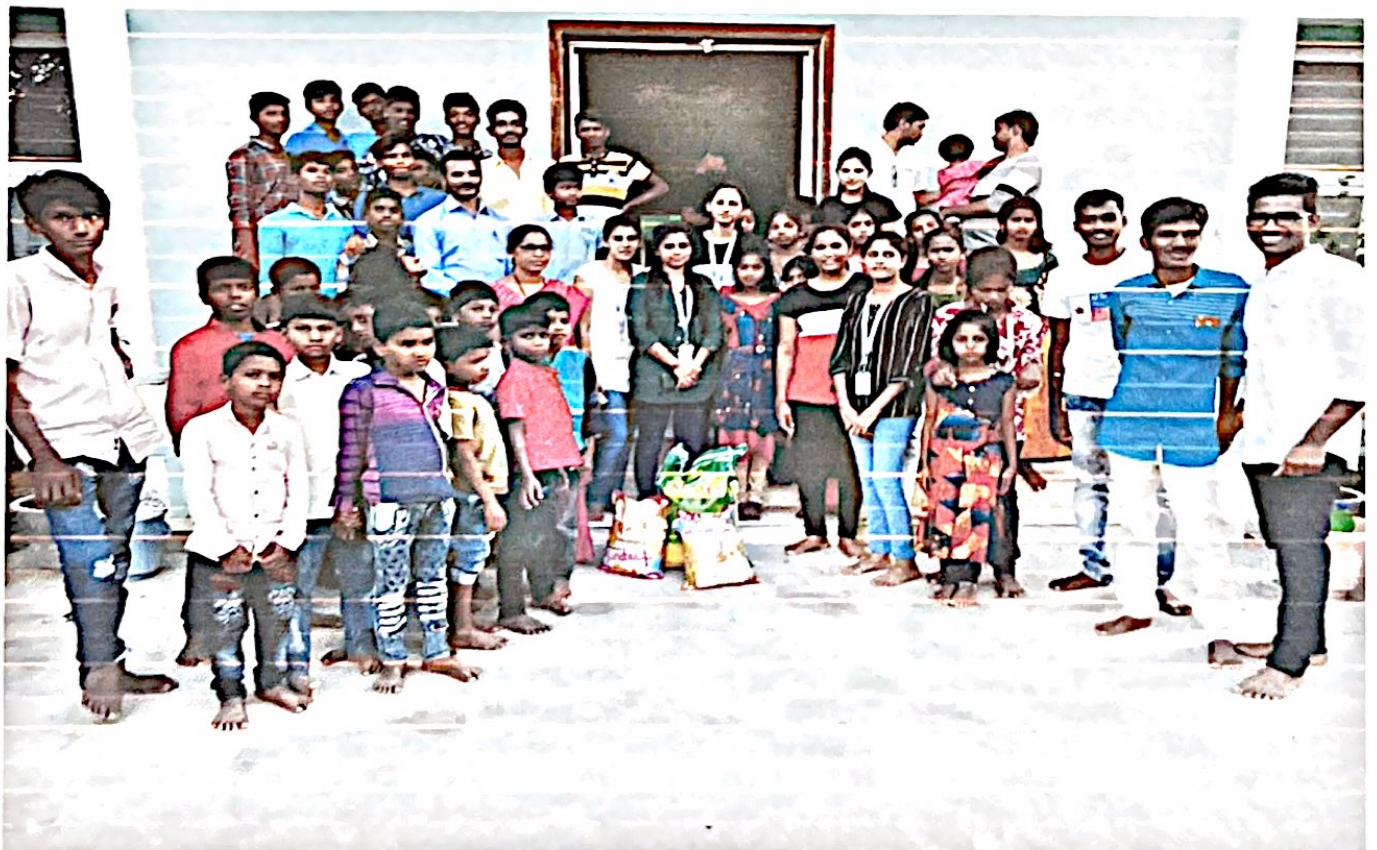

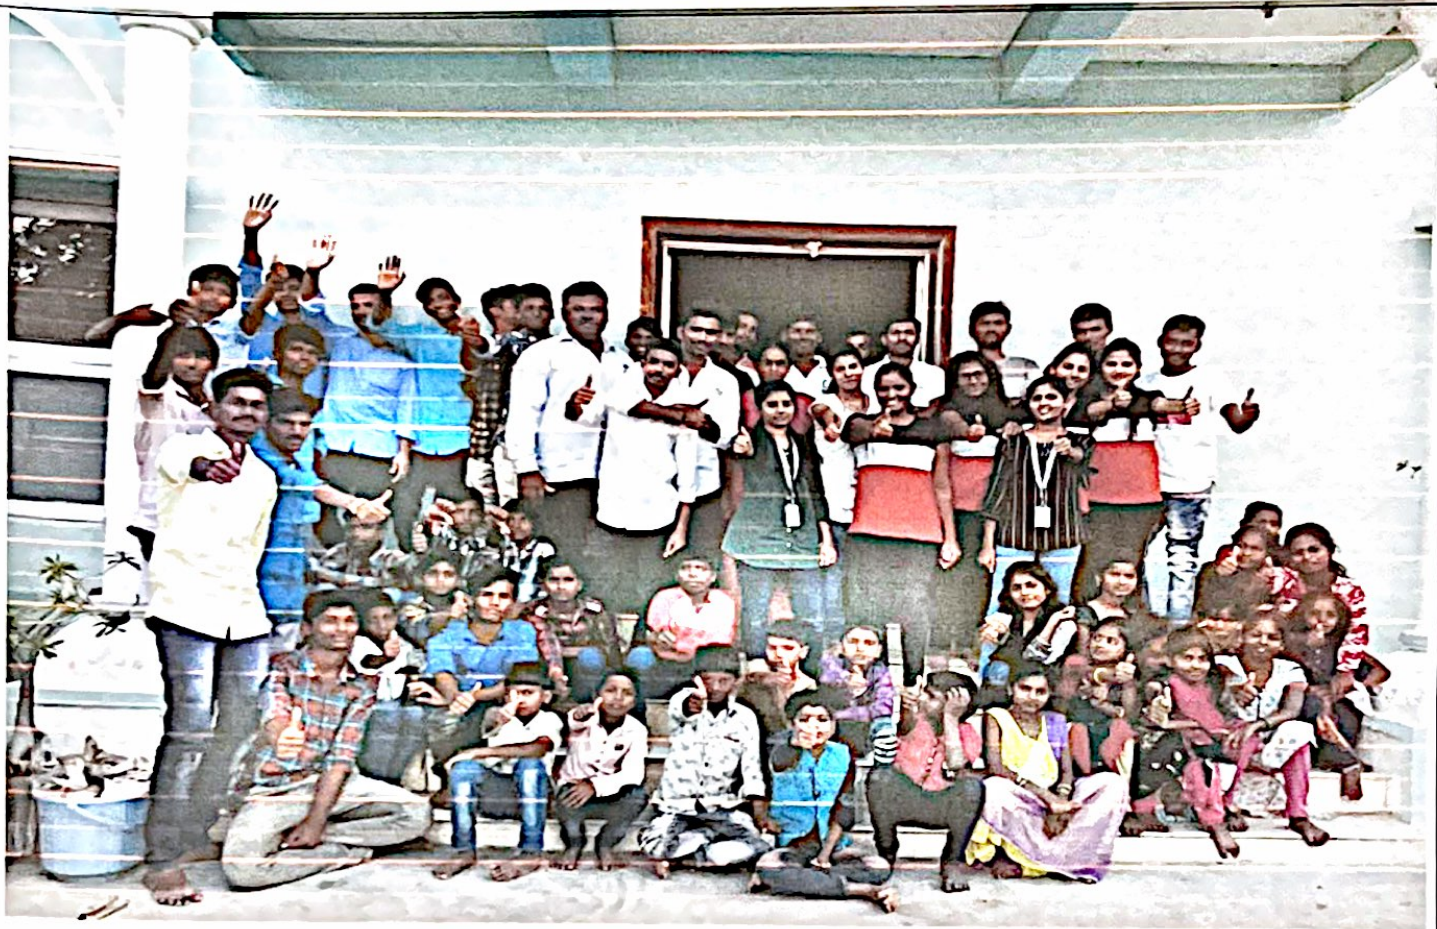

Description:

On 26th January 2020, as a part of Republic Day celebration, Department of ECE, from Sanskrithi school of Engineering organized an orphanage visit to Alive human value Orphanage, Kapala banda. Our volunteers reached the orphanage by 02.30 P.m. The children of Alive human value Orphanage were very pleasantly excited to receive the members. The student volunteers greeted them with great enthusiasm. There was huge smile on the faces of orphanage children and they were very happy to engage with them. The team members also met the caretaker of Alive human value Orphanage who was busy in helping the children to do various activities. They distributed snacks and sweets to the children, drawing ,motivation etc. All the children looked so excited and joyful. On this occasion, faculty coordinator Mrs.Rajni Kumari , handed over the 25 KG of Rice & wheat and other materials and items which was collected by the student volunteers from the students and staff of the Sanskrithi School of Engineering for this noble cause to the caretaker of Alive human value Orphanage.

The team spent a little over three hours with the children of Alive human value Orphanage before saying goodbye to them. It was indeed very satisfying experience for the students as they could bring smiles on children's faces however for a brief period. They realized that one must contribute and understand his/her social responsibilities towards society.
