

SANSKRITHI SCHOOL OF ENGINEERING

Behind SSSS Hospital, Beedupalli knowledge park, Prasanthigram, Puttaparthi - 515134
Affiliated by JNTUA & Approved by All India Council for Technical Education (AICTE), www.sseptp.org

INSTITUTE VISION AND MISSION

Vision: To develop dynamic and socially responsible engineers possessing wisdom, positive attitude, and an impeccable character. Hallmarks will be the innovation, initiative, and teamwork the ability to anticipate and effectively respond to change and to create opportunities.

Mission: The college is devoted to serving society and the nation by providing quality education, and skill development programs thereby enabling the students to become skilled engineers with the right kind of knowledge.

Committed towards setting new benchmarks of excellence in engineering education with emphasis on research & development, innovation and services to society, industry, and the world.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Vision:

To establish ourselves as a frontrunner in delivering exceptional education and training in the realm of Electrical and Electronics Engineering, equipping aspiring graduates with the competence to excel in their professional endeavors.

Mission:

To empower graduates with the essential knowledge and skills required for successful employment and continuous growth in the dynamic field of Electrical and Electronics Engineering. We actively engage in applied research, exploring emerging technologies, and offer professional services to contribute to the advancement of the industry.

V. Jental
Principal

DEPARTMENT OF MECHANICAL ENGINEERING

Vision:

To establish ourselves as a leading institution that equips engineers, researchers, entrepreneurs, and managers in the field of Mechanical Engineering with the skills necessary to thrive on a global scale.

Mission:

Our mission is to provide high-quality education through experiential learning, utilizing ICT tools and engaging in socially relevant projects. We aim to involve both faculty and students in fundamental, heavy engineering, and applied research focused on addressing energy, environmental, and safety concerns. Furthermore, we strive to nurture and prepare our students to excel as successful entrepreneurs and managers.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Vision:

To establish ourselves as a renowned institution in the field of Electronics and Communication Engineering, recognized for our excellence in education and research.

Mission:

Our mission is to nurture and develop professionals and technology leaders who uphold the highest standards of professional ethics within the domains of Electronics and Communication Engineering. We strive to address societal needs while pushing the boundaries of disciplinary and multidisciplinary research, fostering universal moral values.

DEPARTMENT OF CIVIL ENGINEERING

Vision:

To empower graduates to excel as competent professionals in the field of Design and Development, focusing on safe, healthy, sustainable, and eco-friendly infrastructure for the holistic development of society.

Mission:

Our mission is to provide quality education through interdisciplinary research and innovative practices, with the aim of contributing to the betterment of human society through effective teaching and learning methodologies. We strive to develop creative solutions to a wide range of challenges in Civil Engineering by adopting modern tools and techniques.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Vision:

To cultivate competent software professionals, academicians, and researchers through the provision of quality education.

Mission:

Our mission is to nurture skilled software developers, system designers, and network programmers. We strive to remain updated with the latest advancements and technological transformations in the field of computer science and engineering, leveraging them for the betterment of society.
