ABOUT THE COLLEGE

Sanskrithi School of Engineering is in Puttaparthi.Before this new development, Puttaparthi has always been one of the most well-known Global spiritual villages over the century with the blessings of Bhagawan Sri Sathya Sai Baba.

Prashanthi Nilayam or "The Abode of Peace", draws millions of devotees from all corners of the world. The edifice of development – spiritual, social, and economic – was a well thought out splendor-built brick by brick, through unconditional Love, special attention, and sacrifice of Bhagawan Sri Sathya Sai Baba. Some of the model institutional structures were developed in education, health and water supply being the necessities of human life and progress. Puttaparthi has grown from a humble village of 20 families in the 1920s to the most amicable resource facility with Super Specialty Hospitals, Airport, Railway Station, 24/7 water and electricity.

Program Overview:

The English Language Training Program for Non-Teaching Faculty is designed to enhance the English language skills of non-teaching staff members at Sankrithi Engineering college. This comprehensive program aims to equip participants with the necessary tools and techniques to effectively communicate in English, both in professional and personalsettings.

PROGRAM BENEFITS

- **Improved Communication Skills:** Enhance your ability to communicate fluently and confidently in English, enabling you to express your ideas more effectively.

- **Increased Professionalism:** Develop a polished and professional communication style, improving your interactions with students, colleagues, and other stakeholders.

- **Expanded Job Opportunities:** Strengthen your language proficiency, opening doors to advancement and career growth within the college.

- **Enhanced Confidence:** Overcome language barriers and boost your self-assurance when engaging in English conversations, presentations, and meetings.

- **Personal Development:** Acquire essential language skills for everyday life, enabling you to engage more comfortably in social settings and cultural exchanges.
