Affiliated by JNTUA & Approved by All India Council for Technical Education (AICTE), www.sseptp.org

Environment/Green Audit Certificate

Certificate of Registration

(Environment Management System)

KVQA CERTIFICATION SERVICES PVT. LTD.

This is to certify that the Environment Management System of

SANSKRITHI SCHOOL OF ENGINEERING

BEHIND SRI SATHYA SAI SUPER SPECIALITY HOSPITAL, BEEDUPALLI
ROAD, PUTTAPARTHI - 515 134, SRI SATHYA SAI DIST. A.P. INDIA.

Has been found in accordance with Environmental Management
System standard

ISO 14001:2015

This certificate is valid for the following product or service range

Providing Technical Educational Services leading to the Award of
Bachelor of Technology (B.Tech) in Computer Science and
Engineering (CSE), Civil Engineering (CE), Electronics and
Communication Engineering (ECE), Electrical and Electronics
Engineering (EEE) and Mechanical Engineering (ME).

1st Surveillance Due On: 06/03/2024; Done On:
2nd Surveillance Due On: 06/03/2025; Done On:

sCertificate No: **KDACE202304016**

Date Of Issue: 06, April, 2023

Valid Until: 05 April, 2026*

Issued by 

Authorised signatory KVQA

CAR issue	<input checked="" type="checkbox"/> Minor: 01 issue, Major 0 issue (Onsite confirm required: , <input checked="" type="checkbox"/> Document confirm:)				
Document	Manual No. : 01 Rev. No. : 00				
Evaluation	Does organization's system comply with certification audit criteria?				(<input checked="" type="checkbox"/> Yes, <input type="checkbox"/> No)
	Was there any deviation from audit plan? If Yes Please Specify.				(<input type="checkbox"/> Yes, <input checked="" type="checkbox"/> No)
	Are proper corrective & preventive actions taken according to the results of internal audit?				(<input checked="" type="checkbox"/> Yes, <input type="checkbox"/> No)
	Was there any issue impacting the audit program? If Yes please specify				(<input type="checkbox"/> Yes, <input checked="" type="checkbox"/> No)
	Is there any significant changes that can affect management system since last audit & any difference between data submitted by organization and assessed in on-site audit?				(<input type="checkbox"/> Yes, <input checked="" type="checkbox"/> No)
	Is it assured that organization maintain and develop its system continuously?				(<input checked="" type="checkbox"/> Yes, <input type="checkbox"/> No)
	(Additional review points in reassessment) Does all elements of system effectively interact with one another? Is there any unresolved issue identified? If Yes Please specify. Is it assured that organization has commitment for maintaining its system effectively?				(<input checked="" type="checkbox"/> Yes, <input type="checkbox"/> No) (<input type="checkbox"/> Yes, <input checked="" type="checkbox"/> No) (<input checked="" type="checkbox"/> Yes, <input type="checkbox"/> No)
	(Additional review point in surveillance) Is the certification mark properly used?				(<input checked="" type="checkbox"/> Yes, <input type="checkbox"/> No)
	<p>Overall evaluation of audit review</p> <p>The management commitment in the form of Quality Management policy and EMS policy and objectives were found displayed in all the departments endorsed by Top management. While talking to the Top Management it became ample clear that the management had a budget for safety and That it was committed on implementing the Quality Management System. And Environmental system. The objectives and Quality management SCB places the highest value on teamwork and mutual respect among its employees and between Clients. Our success is the result of working diligently as a team to do each job right as well as maintaining a long-terms perspective and integrity in the face of daily pressures. The value of our services is derived from our commitment to produce consistently high-quality work within the constraints of the client's schedule and budget.</p> <p>We constantly adapt our skills to meet individual client needs and the opportunities of the marketplace. Above all, at SCB we get the job done. We aspire to grow in stature and geographic reach to enhance our reputation as a stable, highly respected member of the professional services community in India. Quality Policy Our endeavor is to achieve total customer / client satisfaction in terms of accuracy, timeliness of Project delivery. Technical excellence through adherence to systems and procedures. Continuous upgrading of skills through training. Constructive interaction with client and contractors.</p>				
	Audit Result	<input checked="" type="checkbox"/> Recommend certification for initial audit; maintain its certification for surveillance. As your system is proper and effectively practiced, certification is recommended.			
<input type="checkbox"/> After document audit as follow-up, it will be resolved Your system is practiced without any serious major non-conformity as shown from CAR issue. You are required to submit the result of corrective action taken, which includes corrective action, analysis of the reason, and preventive action to KVQA CERTIFICATION SERVICES PRIVATE LIMITED.. Within 1month. When the result is satisfactory, certification will be recommended (certification will be maintained for surveillance).The observations shall be verified in the Surveillance audit <input type="checkbox"/> After on-site visit as follow-up, this will be resolved More than 01 Minor non-conformity is found in your system as shown from above CAR issues. You are required to submit the result of corrective action taken, which includes corrective action, analysis of the reason, and preventive action to KVQA CERTIFICATION SERVICES PRIVATE LIMITED.. Within 1month. Additional on-site visit as follow-up will be conducted and when it is satisfactory, certification will be recommended (maintained for surveillance). <input type="checkbox"/> Not to satisfy with standard Major non-conformities are found in your system as shown from above CAR issues. Re-audit is required.					
Audit fee	Remitted or not? <input type="checkbox"/> Yes <input type="checkbox"/> No (When audit fee is paid, certification will not be issued if not confirmed)

Energy Management Systems

In 2017, Sanskrithi School of Engineering was honored with the ISO 50001 Energy Management Systems certification by RISE (Research Industrial Systems Engineering) Austria. ISO 50001, an international standard developed by the International Organization for Standardization (ISO), provides guidelines for organizations across sectors to optimize energy usage through the implementation of an Energy Management System.

This esteemed certification demonstrates SSE's commitment to enhancing energy efficiency and sustainable practices. ISO 50001 outlines the requirements for establishing, implementing, maintaining, and continually improving an energy management system within the organization. The primary objective is to enable systematic approaches that drive consistent enhancements in energy performance, encompassing aspects such as energy efficiency, energy security, and overall energy consumption.

By adhering to ISO 50001, SSE aims to optimize energy utilization, reduce carbon footprint, and enhance energy security. The implementation of an effective energy management system not only benefits the institution but also contributes to broader environmental conservation efforts.

Sanskriti School of Engineering's achievement of ISO 50001 certification signifies its proactive approach towards energy management and underscores its commitment to sustainability. This accolade recognizes the institution's dedication to continual improvement and sets it apart as a leader in responsible energy practices within the educational sector.

AUDIT FINDINGS

Nonconformities identified during last visit – (VMTW05015)

There were no corrective actions required to be taken in response to the last audit.

There are no outstanding nonconformities from previous audits.

Nonconformities identified during this visit – Aspect Impact register is not updated

The assessment was based on sampling.

ASSESSMENT COMMENTS & OPPORTUNITIES FOR IMPROVEMENT

ASSESSMENT COMMENTS

From the sample selected for audit at this surveillance audit the SANSKRITHI SCHOOL OF ENGINEERING management & employees have demonstrated that they are maintaining their Energy Management System (EnMS) in line with Energy management processes and the policy objectives. As can be seen from the findings of this report there is evidence of

Principal
Sanskriti School of Engineering
Beedupalli Road, Prasanthnagar
PUTTAPARTHI - 515 104,
Anantapuramu (Dt) A.P.

The scope of the EnMS has been updated to include carbon emissions from scope 3 sources. This has been done in anticipation of changes to the legal compliance scheme 'PAT Perform Achieve and Trade'. This may include net zero in future. This has been seen as an opportunity to remain compliant with PAT via the ISO 50001:2018 Certification. The details are to be fully established following the issue of government guidance on the changes to the PAT scheme.

There are potential complications with the relationship between Carbon reduction and energy efficiency. This will be monitored at future audits and will become clearer how this will fit in to the ISO 50001 EnMS, once the Indian Government has published the new PAT guidance / Scheme documents.

Continual Improvement of energy performance and the EnMS was demonstrated during this audit and the 3 year cycle. There are processes in place to identify and manage continual improvement. There has been significant improvement in energy performance set against the baseline. PIOEATFW continues to make cycle significant investment in new buildings to replace the older stock. There is an established commitment to continual improvement with stretching future objectives in place

All of the employees and management interviewed during this assessment were positive and demonstrated an awareness of the EnMS. There was an open dialogue established which greatly assisted the auditor – Thank You.

OPPORTUNITIES FOR IMPROVEMENT

OFI/01 – LEADERSHIP:

Top Management - Energy Policy and Carbon Management Plan were drafted by the Associate Director (Sustainable Operations) and approved by the Director of Estates.

The Carbon & Environment Action Group (C&EAG), is no longer responsible for this. The leadership section of the Compliance manual, needs to be reviewed to reflect this recent change in authorities.

OFI/02 – INVESTIGATION OF SIGNIFICANT DEVIATIONS:

Significant deviations are identified as part of the monthly energy monitoring process, with sites identified as having significant deviations required to investigate and respond the energy team.

A number of the responses are limited in detail and slow. Significant deviation needs to be investigated and responded to, to ensure energy performance is maintained. There is an opportunity to improve the response detail and time.
ISO 50001:2018 9.1.1

Thanks to the company and its people for their time and cooperation during the audit.

MISCELLANEOUS

Changes to your management system

You must not carry out significant changes to the Energy Management System, without first confirming with your auditor that the proposed changes are acceptable.

Report distribution

The report will be distributed to the company representative, the Lead Auditor and the Business Support Team (for archiving), unless otherwise agreed.

Report confidentiality

This report will not be disclosed to any third party by us. You are free to circulate it as required, however, if this report is circulated to a third party the entire content (excluding audit trail) must be included.

NEXT VISIT

The current 3 year audit programme, audit frequency and duration, were considered during this visit against your current scope and manning levels. The audit program and auditor competences are confirmed as suitable and sufficient and remain unchanged.

The next visit will be due in May 2026 and will be of 2 days duration.

An Audit programme including an agreed outlined plan for your next assessment visit and a summary of previous assessments in the certification cycle is attached to/included in this report. Further details as appropriate will be confirmed prior to your next assessment visit.
